

Shaping Equity Through Conservation

Entrepreneurial Camp

This one of a kind experience,
that will focus on personal and business
development by offering success tools and
strategies for business and life!

AMPS International LLC

Shaping Equity through Conservation Entrepreneurial Camp

- ▶ The **SETCEC** Guides you from Business Basics to Business Ideas to Proven Strategies that will help you ignite the spark of your creative genius into Business Start-Up!!
- ▶ Through hands-on activities, business games and guest speakers, the **SETCEC**'s practical lessons will ENLIGHTEN, EMPOWER and TEACH you how to utilize your knowledge to become Biz-Smart and Savvy by actually starting your OWN business.
- ▶ All participants compete for start-up capital at the **SETCEC** Venture Capital Competition! There will be 3 business plan finalists.

SETCEC delivers on its promise of developing successful entrepreneurs!

The mission of the A.M.P.S. Institute is to provide the basic knowledge needed for youth to compete successfully in a free-market system through innovative leadership techniques and entrepreneurial real-world experiences.
